Sir:

Applicant appreciates the courtesies shown to Applicant's representative by Examiner Tran in the October 6, 2008 personal interview. Applicant's separate record of the substance of the interview is enclosed herein. Applicant's representative presented new claims 18-25 as filed in the September 29, 2008 Amendment and argued these claims are patentable over the applied references. The Examiner indicated that she would need to read the September 29, 2008 Amendment and reconsider the references in light of the new claims.

Respectfully submitted,
